être belle

SOPHIA DOMAGAŁA (*1981, lives in Berlin) was nominated on the longlist for the Neue Nationalgalerie Prize and recently showed at KÖNIG Galerie during Berlin Art Week 2023 in the group show *Places and Events* curated by Stefka Tsaneva. In spring 2023 her first major institutional solo exhibition was held at Marburger Kunstverein.

Works by the artist can be found in numerous collections in Europe and Australia.

LIBERTÉ (être belle) by Sophia Domagała is the artist's second solo exhibition with Mountains, following the group show *Assisted Survival* in 2020 and her solo show *Beggars* in 2021 at the gallery, as well as the fair presentation by Mountains in 2022 at ART COLOGNE.

In her new work, Sophia Domagała refines, multiplies and expands her techniques of abstraction, which she has developed in numerous works in recent years.
